

KIPP:Public Schools
JACKSONVILLE

August 05, 2020

Dear KIPP Jacksonville Families,

Our records indicated that you have chosen KIPP@Home for your KIPPster(s) on the Student Learning Experience Selection form. We are hosting mandatory KIPP@Home parent orientation sessions prior to the start of school.

The orientation sessions for this week, August 4 - 7, are fully booked so we have added more sessions next week, August 10 - August 14. See the attached flyer for more information, please click this link to [sign up](#). Complete a sign-up for EACH enrolled student and bring them all at one time.

- KIPPsters must attend
- One parent/guardian must attend
- Please bring any outstanding enrollment documents, including medical paperwork, to your session

If you or your enrolled student are unable to attend one of the listed dates and you do not contact us, your student will be enrolled in face-to-face school.

Returning families with a Chromebook from the Spring should bring them to their session; all other families should bring the technology they plan to use for KIPP@Home. At the end of orientation, you will receive your KIPPster's learning materials; please bring a bag to carry them home safely.

Thank you for your support as we navigate this crisis together.

Big Belief,
Dr. Fullmore
